Malolactic fermentation: French oak barrels.

Discover and preserve with lees in new french oak barrels for 10 months.

## TASTING NOTE

Wine of middle / high layer characteristic of the Grenache of D.O.P. Cebreros. This wine has got a high intensity red garnet colour.

It has intense aromas of coffee showing up in first place, surrounded by red and black berries, as well as the typical aromas of bush herbs from the area, smoke and nutmegs.

In the mouth it is fresh, structured, and it passes through your mouth it leaves you fruit, mineral, coffee and spicy carácter. The end is long and persistent.

This is a wine that will age very well. Due to its natural treatments, this wine may show sediments so it should be decanted.
